

# The £5 an Hour Betfair Money Machine

by ProfitPunter

Firstly go to [www.Betfair.com](http://www.Betfair.com)

If you already have an account open another one and use the CODE below and get £25 Added to your account after some bets have been placed.

**CODE 7VPGXWTDK**

Next the Selection **METHOD** and **RULES**

1. Log on to Betfair
2. Go to Games
3. HI LOW

Standard speed later go to Turbo speed

OK this method is based on WIN bets on Hi Low game with certain factors in play FOR highest strike rate there must be no more than 2 cards on one side hi or low , low seems to be slightly higher strike rate but dont worry about that. Example 1 below

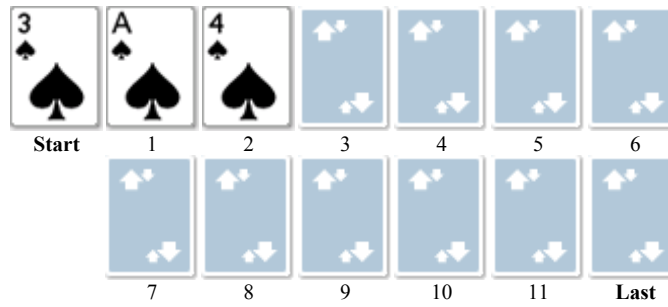

Computer predicts next card: **Hi** ↑ (Game ends if next card is Lower)

2 lower    2   3   4   5   6   7   8   9   10   J   Q   K   A    10 higher

START CARD COMES UP its a 4 (all cards are spades ok) so that gives 2 LOWER and 10 higher

card 1 seems to have a higher strike rate, this is ideal and IS A WIN BET computer says HI cause there is 10 high so win bet CARD 1.

next EXAMPLE BELOW

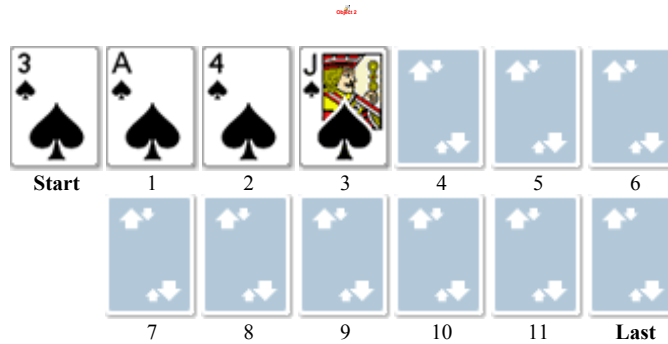

00:13 

Computer predicts next card: **Hi**  (Game ends if next card is **Lower**)

1 lower      2   3   4   5   6   7   8   9   10   J   Q   K   A      9 higher

WIN BET CARD 3 1 LOW-9 HIGH  
NEXT EXAMPLE BELOW

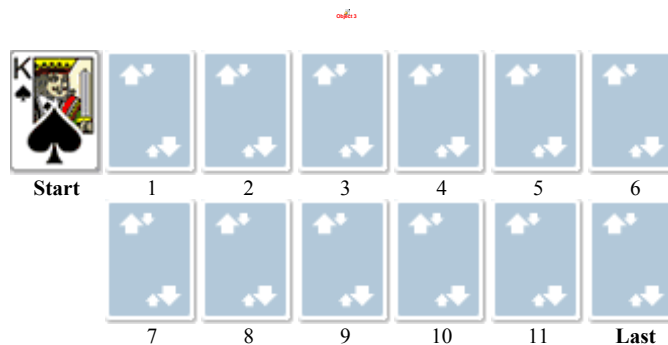

00:13 

Computer predicts next card: **Lo**  (Game ends if next card is **Higher**)

7 lower      2   3   4   5   6   7   8   9   10   J   Q   K   A      2 higher

WIN BET CARD 4 2HIGH – 7 LOW (NOTE MINIMUM ON ONE SIDE MUST BE 7)  
NEVER BET ON A CARD WITH EITHER SIDE LESS THAN 7

LAST EXAMPLE

00:33 

Computer predicts next card: **Lo** ↓ (Game ends if next card is **Higher**)

11 lower      2   3   4   5   6   7   8   9   10   J   Q   K   A      1 higher

CARD 1 11 LOW- 1 HI WIN BET CARD1

ok thats it They wont all win but i suggest you start with the minimum £2 bet then when you get to £50 in the account bet 10% , well thats it really as the method to date wins more than it loses , SO GOOD LUCK .

Best wishes
